# TREES FOR TROOPS?

## IN 2005: AN IDEA WAS BORN

In 2005, the Christmas SPIRIT Foundation began as a 501(c)(3) charitable organization to advance the spirit of Christmas year-round for kids, families and the environment. Plans were soon developed for a national Trees for Troops program, which provides Christmas spirit to military families one tree at a time.

Each year, Christmas Tree growers, retailers and consumers from across the country generously donate fresh cut Real Christmas Trees to military families.

## FEDEX FREIGHT

FedEx Freight provides the shipping and logistics for the trees to be picked up and delivered to military installations throughout the U.S.

FedEx has logged more than 965,149 miles for Trees for Troops over the past 16 years.

## 262,265 MILITARY FAMILIES

Since 2005, Trees for Troops has touched the lives of 262,265 military families at bases and installations in the U.S. and abroad.
