

Thank You For Your Donation

Our nation's heroes appreciate your support! Here is one of the many letters from troops and military families who received a free, real Christmas Tree through Trees for Troops.

"We just wanted to express a heartfelt thank you to those who selflessly gave of their time and money to make this tree possible for our family.

It brings a glimpse of joy in the absence of our hero, father, husband & friend. As well as a tear to our eyes because of the generosity of someone unknown to us who is willing to give for the joy of another.

Thank you again so, so much ... from a family who serves together." Adee & the Boys
